There will also be prizes for the top three finishing teams. Get your bay today, before they are all gone.

About The **DONNA** Foundation

The DONNA Foundation is a 501(C)3 nonprofit organization established in June of 2003 with a primary focus of providing financial, social, and emotional assistance that address the critical needs of families living with breast cancer and to help fund research.

The staggering cost of breast cancer treatment can put an enormous strain on a family's finances, even those with insurance. Coupled with the physical toll of the disease, which renders some unable to work, it can create a dire financial and emotional situation. The DONNA Foundation believes that through love and support we can help patients overcome some of their greatest challenges. We provide economic relief, as well as emotional and social support to families living with breast cancer. Our goal is to minimize stressors in a patient's life, allowing them to focus their positive energies on getting better.

We cannot do it alone but together we can make a difference.
