$3.3 Million disbursed to the Mayo Clinic Breast Cancer Translation Genomics Research Program since 2008.

8,125 Celebrating Survivorship from 50 states and 9 countries.

984 Families helped

$485,911 in financial services and debt relief

50% Increase in call volume to the DONNA CareLine year over year.

“THEY HEARD MY VOICE WHEN OTHERS DID NOT.”
Glorita • DONNA RECIPIENT

For every $1 invested in the DONNA CareLine, $5 in debt relief is obtained for families living with breast cancer.

$19 per month provides a case worker to a patient in need.

Mayo Clinic pioneers the evaluation of Nanostring GeoMX, microscope technology funded by The DONNA Foundation to study immune cell features.

$3.3 MILLION

July 2018 – June 2019
Over the last 16 years The DONNA Foundation has moved

OVER 13,000 FAMILIES

living with breast cancer from a place of fear to one of love
by providing assistance and support when it is most needed.

HOW WE HELP

The DONNA CareLine
The DONNA CareLine provides specific case management services to breast cancer patients, caregivers and/or their providers. This skilled staff helps patients navigate through a wide scope of challenges ranging from access to care or no care, insurance denials, transportation expenses, treatment fees and the cost of living debt incurred.

Funding for Research
The DONNA Foundation aided in developing and maintaining the Mayo Clinic Breast Cancer Translational Genomics Program. Support for this research project is raised annually through DONNA Marathon Weekend, a yearly fundraising event. This genomics program is responsible for the widely publicized Triple Negative Breast Cancer Vaccine Trials and provides genomic support for studies in all cancers.

Survivorship, Education & Awareness
Although the word survivorship can mean different things to different people, survivorship for most begins at diagnosis and continues for a lifetime as a family learns to live with and beyond breast cancer. The DONNA Foundation empowers survivors and their families with specifically designed programming, events and information including the celebration of thousands of athletes across our finish lines each year.
